

Guardians!

We hope you have fun making your own trading cards while you're at home!

Create your own character and name:

Get creative and have fun!

Calculate Health Points:

Add your parents' ages together to find the total Health for your first card.

For other cards Add or Multiply your age with:

- Pet's age
- Parent's age
- Sibling's age
- Neighbor's age
- Friend's age
- Your age

Nature Time!

Go outside and find 6-12 items in your yard or neighborhood.

Weakness:

Choose 6 outdoor items to be drawn on the cards' weaknesses.

Strength:

Choose 6 more items to be the cards' strengths.

Have fun! Make up your own rules! Report back on Facebook!
